

Troop 356's Campout at Flaming Arrow

From February 17-19 2012, Troop 356 went to Camp Flaming Arrow. Only 10 boys went on the trip. All but three of us went hiking. The seven boys who went overnight hiking saw a wild bull.

While they were hiking, the three boys who didn't go cut up wood and built a large bonfire. We also did archery, that was REALLY fun. The whole group got to do shotgun. David E. was one of the best, sometimes even getting all the skeets.

It was a great trip and I hope that we can go again.
